Mr. John Tennyson, President  
Barnegat Light Taxpayers Association  
PO Box 342  
Barnegat Light, NJ 08006

Dear John,

I have completed a review of the BLTA 2017 Financial reports in accordance with the financial control procedures the Board has put in place. The information that I examined was provided to me by our Treasurer, Bill Chernelich, and it included both summary reports and underlying details such as Bank Account statements, deposit slips, and copies of disbursement checks and the documentation to support them.

Although my review does not rise to the level of a professional audit, I am pleased to report that our Treasurer's financial reporting is well organized and complete, and in my opinion accurately records and presents the financial picture of BLTA during 2017. As part of the review, I was able to compare the internal activity records with the corresponding bank records, and found no discrepancies between them.

Let me close by thanking Bill Chernelich for his efforts on behalf of our organization.

Sincerely,

Ed Ebenbach, Vice President  
Barnegat Light Taxpayers Association
