Greetings,

Happy Fall to everyone. I hope you're enjoying the great weather and sunsets this time of year.

Please take the time to visit our [website](#). You'll find the minutes from both our General meetings as well as our monthly Trustee meetings. In addition, we continue to update you on the wind farm issue.

Dr. Rich Brodman and I, along with some other trustees, attend the monthly Borough Council meetings. I encourage you to attend as well. Water meters have been activated and usage is being tracked. The new rates based on usage will be discussed. This is your time to come, listen, and ask questions of the Borough Council. The next meeting is **Wednesday, November 10th, 4:30 p.m. at the Fire Hall on 10th Street**. Hope to see you there.

Stay well,

Barbara Truncellito  
President
