

Important Recycling Information

As of January 1, 2019 Recycling Material that is not put out properly **WILL NOT** be picked up!

- NO Plastic bags- put all material loose in the recycling can
- Glass, paper (no shredded paper), cardboard & metal cans all go together in one can labeled with a recycling sticker & a lid
- All containers MUST be emptied & rinsed
- The ONLY plastic containers that can be recycled are ones with the neck smaller than the base (remove all lids & pumps)

*Any recycling that is not put out according to these guidelines will be stickered & not picked up until the issue is corrected.

*Homeowners- it is your responsibility to provide your tenants with what they need to recycle correctly. A sufficient number of labeled cans, a copy of the 2019 Trash & Recycling Guidelines & a copy of this notice.

Recycling, it's not voluntary, it's the law!
